

saying never mind. 2 minutes later she showed up. I refused to kiss her at first and I asked her why did she act like that. She replied cause I'm a woman and thats what we do. We like to be controlled and dominated.

Below are some other very important traits that a must absolutely possess irrespective of your identity to charm a healthy woman. I will go into them in detail in the next chapter but for now here is the list:

- Confidence
- Grooming
- Humor
- Health
- Humility
- Challenging
- Creative
- Bold
- Thoughtful
- Intelligent
- Laid back and social
- Positive Attitude

If you could display these traits to women without sounding too obvious, chances are you will successfully turn all her attraction switches on and from
